This vehicle is technically designed for the operating conditions and permit requirements in the European Union. If the vehicle is to be operated in another country, it may have to be adapted to any prevailing different operating conditions and permit requirements. Some of the vehicle features might be limited in their functions or do not function at all, if the vehicle is exported to another country than the final destination (country version).

## PLEASE MARK WITH A CROSS AND SIGN TO ALLOW US TO PROVIDE YOU WITH OPTIMUM SUPPORT.

Enjoy exclusive customer service and a first-class relationship with BMW: get the latest information on new products or innovations and invitations to exclusive events. We'll take care of your mobility needs and we'll be there in person for you whenever you need us.

### My consent to marketing communication

I would like to receive marketing communication by BMW via **[1]**

- e-mail  mail  phone/messenger services  in-car (if supported)

I agree that BMW AG passes on my data to BMW's respective national sales company and to certain authorized dealers (my stated preferred dealer, partners of my car purchases, service or consulting visits or my regional partner) in my home market or in the country of my current residence and that these companies process and use my data and contact me for marketing communication of BMW Group products and services and market research.

- Furthermore, I would like to receive personalized BMW Group product and service offers which were identified from BMW based on my personal preferences and behaviors, as well as from the use of products and services. **[2]**

### Change requests regarding the declaration of consent and revocation right **[3]**

---

Date, signature

**[1] [2] [3]** Specifications and notes in the attachment to this consent declaration

### Attachments to the consent to marketing communication

**[1]** I agree that Bayerische Motoren Werke Aktiengesellschaft (BMW AG, Petuelring 130, 80788 München, Germany) processes and uses my provided personal data (e.g. contact and personal details such as birthdate and type of driving license, hobbies and interests) for customer care and for selected communication of BMW Group product and service information as well as for market research. BMW AG may also transmit this data to BMW's respective national sales company and to certain authorized dealers (my stated preferred dealer, partners of my car purchases, service or consulting visits or my regional partner) in my home market or in the country of my current residence which may use my data and contact me for the purposes mentioned above.

**[2]** I agree that personal data is used to create an individual customer profile by means of a statistical procedure. Thanks to this profile, I will receive marketing communication with contents relevant for me such as e.g. personalized offers from BMW AG as well as from BMW's respective national sales company and certain authorized dealers (my stated preferred dealer, partners of my car purchases, service or consulting visits or my regional partner) in my home market or in the country of my current residence. I also agree that the customer profile is transmitted from BMW AG to BMW's respective national sales company and certain authorized dealers (my stated preferred dealer, partners of my car purchases, service or consulting visits or my regional partner) in my home market or in the country of my current residence for the purposes mentioned above and that these companies may contact me with contents relevant for me. Where available, the following data provided by me or generated due to my use of products or services of BMW AG may be incorporated in the profile development: contact details (such as e.g. name, address, e-mail address); supplementary information/preferences (such as e.g. preferred dealer, hobbies); identification data (such as e.g. customer number, contract number); customer history (such as e.g. receipt of offers, vehicle purchase data, dealer information); vehicle data (such as e.g. usage data of the BMW Connected app: mileage, cruising range); app-/website-/social media data (such as e.g. usage data from the online accounts myBMW or myMINI).

An exhaustive list with data of those categories can be found below. \*\*

**[3]** I am at any time able to revoke my submitted declarations of consent with effect for the future. After complete revocation, my customer profile will no longer be processed and I will no longer receive marketing communication. Via the following specified communication channels, I am furthermore able to request information about my data stored at BMW AG as well as the correction, deletion or blocking of my personal data. I also have the right to contact my responsible data protection authority. Further details regarding the processing of my personal data and my rights can be found in the privacy policy stated in the following.\*
